Apologies :

Richard Parsons, Pete Minkley, Nigel Hammond.

Minutes of last meeting :

Passed as a true record.

Matters arising from minutes :

Nil.

Treasurer's report :

£785.02 in bank with no outstanding invoices. Passed as a true record

Chairmans report :

Whilst it has not been a bad year it has also not been a much of an improvement on last year, indeed one Society day had to be cancelled due to lack of interest, this is despite of an increase in last years membership.

The 1862 Championship was won by myself, not many points to separate the top 4, The singles was won by David Sadler in a final that was, once again, not very well supported. congratulations to the 2 winners mentioned above.

The bank account is very healthy but that brings us to the question of the society not being in the business of keep on banking money, it was not set up for that

reason, whilst a small amount does help to pay deposits, but we just cannot keep on having a healthy balance for no reason.

I have a few suggestions for the 2013 season, but on balance the society is a viable and respectable annex to NCFC, bearing in mind that we carry our clubs crest and we have a responsibility to uphold the clubs standards, and I hope that it may long continue to be so. Also congratulations to Malcolm Voce for winning the 1862 Championship and to David Sadler for being the winner of the singles competition.

Secretaries report :

Secretary thanked the Chair for the hard work done for the society in the past 12 months.

Captains report :

Captain not present at meeting.

Election of officers:

Malcolm Voce

Treasurer :

Andy Bryan

Secretary :

Alan Molloy

Captain :

David Sadler

Proposals / Suggestions for 2013 season :

Subscriptions

I suggest that the £20 is still payable by all members per season.

Passed. There would also be the opportunity for guests to join us on our society day, A £5.00 fee above members price would be added to the guest. Guests would not be eligible to any championship points or entry into the singles.

Singles Competition

The Singles competition to have all names that wish to take part "in the hat" by no later than the last day of February 2013, no exceptions, the singles to be free to all members.

Passed.

1862 Championship

The 1862 Championship to be run on a points table, the points being those that are accumulated on the Stableford Society Days, 40 points 39 points etc, not 10 points 8 points etc as was done in the 2012 season. I would also like to introduce a best of 5 from 8 for this Championship which I believe would keep most contenders interested right down to the last game, so you may miss 3 matches and still be in with a shout as only the best 5 scores would count. 8 Matches to be played from March 2013 through to October 2013, one game being the Captains choice, which would be at a course of his choice.

Passed, with the 10 points, 8 points, 6 points etc, still remain.

Society Days

I would suggest that on Society days we book a meal, regardless, as it seems to be a more sociable thing to do after a game.

I also suggest that there will be no prize for the winner or runner up, just the points. Also no nearest the pin in 1 or 2 shots as we did this year. This will reduce the fees that the society have charged.

I will have a separate sheet for any that would like to enter a "2's" competition, it would be £5.00 per person, all given to the winner (s) and not compulsory, no winner (s) money given back. This makes the day cheaper for those that do not want to enter the "2's", of course for those that wish to gamble more between themselves that is their choice.

Passed, but no meals to be booked, just barebones green fees, with £1.00 added to buy a sleeve of golf balls for the winner and runner up.

Members responsibility

We have the system in place for all members to submit if they will **NOT BE AVAILABLE**

The fixtures will be published via our web site by February 2013.

All members will be included in each fixture, **THE ONUS WILL BE ON THE INDIVIDUAL MEMBERS TO NOTIFY, VIA TELEPHONE, OR EMAIL, THROUGH THE WEBSITE, THAT THEY WILL NOT BE AVAILABLE.** This makes it easier to administer for the officers of the society that have to get it together on the day. **IF THE PLAYER DOES NOT NOTIFY THAT THEY WON'T BE PLAYING A WEEK PRIOR THEY WILL BE LIABLE FOR ANY COSTS THAT THE SOCIETY MAY INCURR.**

Passed.

Tee Off times

During the long day's during the Summer I would also like to have tee - off times later on in the day, say 16:00 hrs or even 17:00 hrs, this will give some members to still go to work and play during the mid-week, also we may be able to get a better deal from the Golf Clubs.

Passed

Any Other Business

It was passed that the Society hold a presentation lunch on Saturday 19th January 2013. This will be at Meadow Lane Stadium in either the Wheelers Suite for the carvery or whatever is available on this day. Chairman to proceed with making this possible.

It was also said that these rules would be discussed at the Society Lunch on 19th January 2013.
